## Celebrating our Top Performers in the Insurance Industry Awards

The Insurance Institute of The Bahamas held its first Insurance Industry Awards Banquet on Friday, September 28, 2007. This banquet allowed insurance companies through a nomination process to give special recognition to those who made, and those who continue to make, significant contributions to the Insurance Industry. Family Guardian is truly pleased to recognize and congratulate both Christine Russell, District Manager (Freeport) for winning the Insurance Manager of the Year award and Antonio Lockhart, Sales Representative for winning the Home Service Agent of the Year award.
