FAMILY GUARDIAN SUPPORTS SPECIAL OLYMPICS

Family Guardian recently presented Special Olympics Bahamas with a donation to assist the team of 40 athletes and officials who will travel to China in October to compete in the Special Olympics Summer World Games. The Games are celebrated every four years and The Bahamas has participated successfully since 1987. In 2003 in Ireland Team Bahamas earned 35 medals and, according to Basil Christie (photographed at left), National Chairman of Special Olympics Bahamas, “As a result of our many successes over the years, Team Bahamas has been invited to send a contingent of our athletes and officials to the largest sporting event to be held in 2007.” The team for China will comprise athletes from Grand Bahama, Long Island and New Providence competing in Track & Field, Basketball, Swimming, Bocce and Tennis.

In presenting Mr. Christie with Family Guardian’s donation, the company’s vice president of human resources & public relations, Anne Higgs, remarked: “We are very pleased to support such an important undertaking and we wish Team Bahamas great success and a wonderful experience as they participate in this prestigious international event.”
